DeWALT PETROL GENERATOR 3500W

DXGNP35E

DEWALT

Features

- The generator is equipped with an recoil starter, which makes start-up easy and convenient
- The robust housing protects the genset from external influences and is ideal for use in harsh environments
- It offers easy starting, overload protection and automatic cut-off in case of fuel shortage
- This Generator genset features low fuel consumption which ensures longer run times and greater efficiency
- Good quality oil and fuel are imperatives for using the equiepment
- It offers high performance, easy to operation, and rugged design can withstand demanding environments

PERFORMANCE			
Voltage	230V	Frequency	50 - 60 Hz
Starting Watts	3500 W	Rated Watts	3200 W
ENGINE			
Engine	Gasoline Engine	Engine Type	4-stroke OHV single cylinder
Noise Level	90 dB (a) (7 m)	Displacement	223 cc
OVERALL DESIGN			
Fuel Tank	20 L	Bore X Stroke	70 X 58 mm
Oil Capacity	0.55 L	Sarting Mode	Recoil Start
GENERATOR SET			
Length	590 mm	Width	460 mm
Height	510 mm	Net Weight	54 KG
