

## DESERT EAGLE MAGNETIC DRILL

### Features

- Metal construction for durability
- Convenient, durable, highly efficient
- High magnetic force support to the drilling
- Powerful motor for durable
- Efficient precise drilling
- Core Drilling Capability
- Variable Speed Control
- Quick-Change Chuck system
- Quick release cutter holder
- Integrated Coolant System

### DESERT EAGLE MAGNETIC DRILL

Brand	Model	Max Cutting	Power	Attraction	Voltage	Frequency	Weight
Desert Eagle	JIC-25W	25 mm	1200 W	13000 N	220 V	50 - 60 Hz	23 KG
Desert Eagle	JIC-50D	50 mm	1600 W	12500 N	220 V	50 - 60 Hz	25 KG

**TAIWAN TECHNOLOGY**
