

**DESERT
EAGLE®**

DESERT EAGLE CORDLESS TILE VIBRATION MACHINE

Features

- Alignment and leveling
- Handling large tiles
- Powerful lithium battery
- Reducing manual effort
- Precision vibration technology
- Adjustable oscillation frequency
- Superior adsorption capability
- Versatile speed control
- Fast charging and extended battery life
- 12 different gears adjustable

DESERT EAGLE HYDRAULIC FLOOR JACK

Brand	Model	Speed Gear	Power	Max Speed	Battery	Cup Dia.	Weight
Desert Eagle	BK-TVM160	12 Class	220 W	10000 R/min	21 V 2 Ah	160 mm	2 KG
