

FARES 24" INDUSTRIAL STAND FAN DB-I2401

FEATURES

- Small mechanical power consumption
- Compact structure, strong and durable
- Complete control over the room temperature
- On/off safety switch
- High efficiency and Energy conservation
- Heavy-duty fan consumes minimal energy and still offers multiple speeds

Brand	Model	Motor	Air Speed	Height	Voltage	Grill	Blade
Fares	DB-I2401	Copper, 120W	5.5 m/s	90 cm Pole	220V ~ 50 Hz	1.8 mm	3 Blade Alu

FARES 26" INDUSTRIAL STAND FAN DB-BLDC26

FEATURES

- Small mechanical power consumption
- Compact structure, strong and durable
- Complete control over the room temperature
- On/off safety switch
- High efficiency and Energy conservation
- Heavy-duty fan consumes minimal energy and still offers multiple speeds

Brand	Model	Motor	Air Speed	Height	Voltage	Noise	Blade
Fares	DB-BLDC26	Copper, 80W	7.7 m/s	1.0 M	220V ~ 50 Hz	< 70db	3 Blade Alu
